Edge

Inspired by the timeless Japanese wabi-sabi philosophy, where acceptance of imperfection is key, the Edge Collection blends sharp, rough edges with matte and glossy finishes in soft earth and ash tones. Fine stoneware with golden reflections elevated to an art form.

ASIAN CONCEPT

Asian Tableware

Specifically designed for the Asian market, the items marked with a golden tab follow the measurements and guidelines adopted in the Asian table setting.

Care Guide

Ivory Gold / Ebony Gold:

These items are **microwave safe and dishwasher resistant**. We only use superior quality gold in our products, acquired through vendors with the LBMA Good Delivery Standard, ensuring it is sourced using responsible methods. Its superior quality also allows it to resist far more dishwasher machine cycles. Granted this cool feature we still encourage hand washing.

Ivory / Stone Edge:

Our Ivory and Stone Edge items are completely **microwave and dishwasher safe**. Our high-temperature, single-firing production ensures the durability of our ceramics.
