Specifically designed for the Asian market, the items marked with the golden tab follow the measures and guidelines adopted in Asian table setting.

Care Guide

Stone / Rose / Terracotta / Olive:

All of these items are completely **microwave and dishwasher safe**.

Our high-temperature, single-firing production ensures the durability of our ceramics.

Rose Gold:

These items are **microwave safe and dishwasher resistant**. We only use superior quality gold in our products, acquired through vendors with the LBMA Good Delivery Standard, ensuring it is sourced using responsible methods. Its superior quality also allows it to resist far more dishwasher machine cycles. Granted this cool feature we still encourage hand washing.
